STRENGTH

• passionate adventurer

In October 2018, I tried something new that I secretly always wanted to do. I wanted to start from scratch in an unfamiliar place. Knowing nothing, Knowing no one brought me thrilled because I wanted to see and learn new things. Fortunately, it went out of one of my successful experiences. For this time, I like to keep moving forward as a frontend developer.

PASSION

-  Traveling
-  Hiking
-  Taking photos
-  Translating TV shows
-  Sewing machine
